CRIMINAL TRESPASS AUTHORIZATION FORM

Date: _____, 20__

Portland Police Department
109 Middle Street
Portland, Maine 04101

Dear Chief of Police:

I am the owner/manager of _____.
Each year we experience problems with people trespassing and sometimes engaging in illegal activity on or in the immediate vicinity of our property. These individuals do not reside, nor are they conducting legal business on the property. In attempts to minimize the negative effects this nuisance issue may cause, I am requesting the Portland Police Department's assistance with identifying and removing any individual(s) found on the property that are not legitimately there.

If it is necessary to arrest any individual(s) for criminal trespass, please use this letter as evidence for the court proceedings. This letter and authorization shall remain valid until revoked in writing or rendered void due to a change in ownership or management.

Sincerely,
